

THANK YOU FROM DVN BOARD

We would like to thank all those who have helped to make this show possible! Thank you to the choreographers, dancers, stage crew, emcees, guest performers, photographers, and sponsors! Without all of you, this show would not have been possible!

We would especially like to thank all the choreographers for their leadership and hard work they have put into creating the dances along with teaching dancers. We greatly appreciate the dedication that dancers and choreographers have put into making this show successful!

A special thank you to Anna Dang for working incredibly hard the past four months editing our entire board video and making it come to life through her creativity and talent!

Lastly, we would like to thank all attendees for coming out to our show and supporting us! We are very thankful and hope to see you next year at DVN 2020!

WRITE YOUR STORY

ABOUT DVN

Đêm Việt Nam (A Night in Vietnam) is an annual Vietnamese Culture Show hosted at the University of Michigan by the Vietnamese Student Association (VSA). Entirely-student run, our show features 120 students performing in eight different dances, ranging from traditional to modern styles, alongside captivating guest performances that highlight the Vietnamese culture. Đêm Việt Nam is a journey that will keep you entertained!

This year's theme is "Write Your Story," which translates to "Câu Chuyện Xa Lạ," in Vietnamese. Our show centers around an aspiring, young Vietnamese-American writer as Tết, the Vietnamese New Year, approaches. As he seeks to capture the essence of his town's Vietnamese Culture Show, he learns that writing your own story is a lesson that transcends pen and paper; it is alive in our culture, ourselves, and those who are willing to listen.
